

Hi

Welcome to a new year and some new officers. I am looking forward to working closely with everyone and get our Post on its feet with 100% membership. Membership is our back bone. If we do not have members we have nothing. We need to get in some young blood to work with us old-timers. I want to pull the Legion family closer together and by that I mean we need to improve communication. It's time to let the right hand know what the left hand is doing. If you want to be involved contact me at the post or at 221-2144, or contact any of the other officers. I want to put up a sign-up sheet in the meeting hall of what work details need help so everyone will know what is needed. Also we will be visiting vets at different places, so there will be a sign up sheet for that too. Remember, when you meet a veteran, ask that person if they belong to the American Legion. Keep applications with you. Don't forget the Auxiliary, SAL, and the Legion Riders. One of the first things I want to do is to have our American Legion sign put up along with other organizations so that new people or visitors to the area know that we are here. And I will say it again, let's pull together and have a great year. I know we can all do it.

For God and Country,

Ronald A Green
Commander
